

IAP KARNATAKA STATE BRANCH 2025

GOLD MODULE

**IAP Karnataka State
PRESIDENTIAL ACTION PLAN 2025**

Gold Module

We are pleased to announce the **"IAP Karnataka State Presidential Action Plan 2025"** titled **"GOLD Module- Guided Observation for Liver Disease – Jaundice and its Management"**, being organized for the first time across various district branches in Karnataka state.

This significant initiative aims to enhance awareness, understanding, and clinical management skills regarding paediatric jaundice amongst IAP Members. The workshop will feature expert talks, case discussions, and providing participants with the latest guidelines and practical knowledge.
